

Dear Eightball Hiring Manager,

RE: Copywriter & Junior SEO Specialist

It's not every day you can put your nighttime obsessions of 2am re-readings of Russel Brunson's dog-eared "Expert Secrets" digital marketing playbook or zealously devour Ash Ambirge's copywriting secrets in between spoonfuls of Weetbix - and turn them into same-day actions to up clients' online game.

**So beyond a couple of name drops, what exactly can I bring to Eightball?**

Rather than give you a squillion words to pour over, here's a far easier and faster way to determine if you'd me to take care of your copywriting to-do list. [Simply click on the image below.](#)

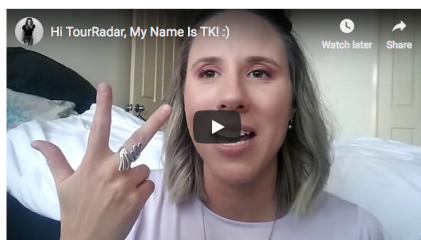

Welcome  
**eightball.**  
Design. Web. Marketing.

Your secret is safe with me.

*"In search of a multi-talented copywriter who can not only think (and land!) on their feet and deliver "wow-factor" work", you say.*

**But your secret:** In search of a geek-in-crime, who will totally nerd-out over the latest digital marketing strategies, even after the laptops have been powered down for the week. (There's a Sleep mode for a reason.. 'evil laugh')

How this ends: **our clients with world Google-domination status.**

Alternatively, you can find the link here: <https://bit.ly/2Fdsrsd>

In addition to a big image, I also come packaged with:

**More Than A Decade Of Exceptional Communication:** 5 years+ of compelling content creation for the online space, including: website copy, landing pages, lead magnets, blog posts, onboarding sequences, newsletter emails, video scripts and interviews. 10+ years of delivering in person trainings and courses.

**Genuine Love For Results-Driven Digital Marketing:** As an previous business owner, I appreciate the need to have tangible returns on investments. My downtime is rabbit holes of copywriting and website strategy, tracking and optimising conversations and funnel hacking the big players.

I would love to bring my passion for all things copywriting and digital strategy to serve your clients at Eightball. I welcome the opportunity to provide you with any further information necessary.

Thank you for your time and consideration.

Sincerely,  
Taliah-Kate Byron
